

OWN YOUR magic

SWEET Early Cookie Booth Opportunity!

Does your troop have a BIG goal to achieve? Interested in selling cookies during National Girl Scout Cookie Weekend, but cannot because our delivery week is scheduled afterwards?

Do not miss this opportunity!

Troops* with at least 75% girl participation during the 2023 Treats, Reads & More Program can receive up to 50 cases of preseason cookies ahead of cookie delivery week!

- Girl participation is considered earning **at least 1 patch** listed on the order form!
- Girls can do this simply by sending out 18+ emails through the M2 site to earn the Ocelot patch! **It is that easy!**
- Preseason cookies received will not go towards Initial Order cookie rewards but will go towards final rewards!
- Payment for these preseason cookies will be processed during the 2nd scheduled cookie ACH!
- Troops will be responsible for finding and securing their own booth locations. Troops are not permitted to approach GSNYPENN-sponsored booth sites (such as all malls, Walmart, GNC, Lowe's and JoAnn Fabrics) within the council's footprint.
- Booths must be entered into the 2024 eBudde site.
- Troops can also use their cookies for walkabouts/door to door sales.

*Qualifying troops will receive more details as we get closer to the 2024 cookie program, such as how/when/where to place preseason cookie order! If a troop earned 25 cases from 2024 Early Bird participation, they could earn up to a total of 75 preseason cases! These troops will also be notified how to place their orders. Troops that earn the Treats, Reads & More preseason cookies must meet participation qualifications by November 12, 2023.

GOOD LUCK!
